

## Wisconsin Angus Auxiliary

The Wisconsin Angus Auxiliary is open to all women who are interested in promoting the Angus breed and supporting the Wisconsin Angus Association and its youth. The Auxiliary raises funds and awards scholarships each year to junior Angus breeders, provides assistance to juniors for scholarship opportunities from other organizations, sponsors the Ambassador program, sponsors a hospitality table at the Angus Sale during World Beef Expo, and supports many Angus-related activities throughout the year. For more information, contact Kathy Miller at 262-857-7168 or [millersmagnum@aol.com](mailto:millersmagnum@aol.com).
